Introductions		
Disaster Plan update	In regards to the plan, we are required to review it annually and it does not need to be updated until 2024. At this point, Hai-Ping will work with Matt Fenaroli to update the contact lists. If committee members see anything that needs to be added or changed in the plan, please let Hai-Ping know.	
Updates from Bard and the Red Hook School District	<p>There was only one case at Bard in the fall. Campus is closed. When students return from the winter break, they are held in quarantine and/or until they can provide negative results from COVID tests. Bard added Saturdays to their class schedule in order to free up spaces. Bard students are tested frequently and they are able to get very quick results.</p> <p>Both Bard and the RH School District continue to clean all surfaces with the same protocol. The school district currently “brings in maximum air and brings up the heat” in their buildings.</p> <p>The RH School District and Bard meet regularly with government officials regarding this pandemic.</p> <p>The next meeting will be on April 14<sup>th</sup>, 2021 at 4:30.</p>	

**ADJOURNMENT**

The meeting was adjourned at 4:55

Respectfully submitted,

Hai-Ping Yeh
